Section 2 - Documentation

2.1 Documentation

This release is not accompanied by any changes to the printed or online documentation.

Section 3 - Software Changes

3.1 Opening Workbooks

- 3.1.1 In previous versions, if more than one Forecast workbook was opened simultaneously, a license error would be reported. This problem has been resolved.

3.1 Licensing

Enhancements have been made to the software licensing. This includes the ability to provide subscription-based licenses for resellers and consultants.
